### **NSL Residences full of Christmas Cheer!** *December 20, 2012*

*Carolyn Fitch, Resident Services Manager*

An exciting and fun filled evening was had by all as Santa himself visited. The festive decorations throughout the homes for the season had everyone in the Christmas Spirit.

The residents anxiously awaited their turn sitting with Santa and opening their personalized gifts.

With smiles beaming and hearts full of fun the residents participated in Christmas karaoke and danced the evening away.

The night's favorite dance by far was the hokey pokey or it may have been the group they all formed as they grabbed on to participate in the train dance.

Refreshments and special homemade Christmas treats topped of the evening.

To this day the residents still reminisce about how much fun they had and cannot wait until our next NSL event. ....coming soon!!
