Lakeside Terrace 2012 Halloween Party a Huge Success! *October 31, 2012*

Carolyn Fitch, Resident Services Manager

Ghosts and goblins galore!! What a night! Everyone donned a mask or an entire costume and had fun trying to sort out who was who.

Laughter filled the building as witches danced with ogres and princesses danced with rock stars. Halloween candy, decorated muffins and witches brew punch were enjoyed by all.

Dancing was inevitable with this group and they danced some dances I think we invented! The signature dance of this group is forming the train and it sure was a long laughter filled train dancing through the halls of their home.

Fun! Fun! Fun!... and we're already planning for our next NSL event!
