New Year's Countdown 2013 December 31, 2012

Carolyn Fitch, Resident Services Manager

No better way to end a great year than to do it together reminiscing about the year gone by.

In a circle of friends we all relayed something we were thankful for in 2012. Those stories will always be fondly remembered by everyone.

Then came the countdown.....hats in place, horns in hand and crackers and streamers in reach the old year was counted down and the new year ahead was celebrated!!

The evening ended with everyone standing arm in arm singing "Auld Lang Syne".

Stay tuned for the exciting events ahead in 2013!!
